3. THE CAP AMOUNT

The Directors estimate that the Cap for each of the following periods shall be:

Financial Year/Period	Cap (RMB millions)
19 December 2017 to 31 December 2017	1.20
1 January 2018 to 31 December 2018	7.26

4. REASONS FOR AND BENEFITS OF THE CONTINUING CONNECTED TRANSACTIONS

Based on information available to the Directors, the Directors understand that AEON Mall BM, as head tenant, is responsible for making payment of utilities expenses and property management fees in respect of the entire Dali Mall. Such amounts paid by AEON GD to AEON Mall BM pursuant to the Master Agreement represent AEON GD's proportionate contribution to such expenses and fees, which will then be paid by AEON Mall BM to relevant authorities or parties on behalf of AEON GD. The rates for utilities expenses and property management fees are no less favourable than those applicable to AEON Mall BM or its other tenants. The Directors further consider that the tree planting promotional activities will bring marketing benefits and enhance the awareness and publicity of the store to be opened by AEON GD at the Premises.

The terms of the Master Agreement have been reached after arm's length negotiations between AEON GD and AEON Mall BM. The Directors (including the independent non-executive Directors) are of the opinion that:

- (1) the transactions under the Master Agreement are on normal commercial terms and in the ordinary and usual course of business of the Group; and
- (2) such transactions and the Cap are fair and reasonable and in the interests of the Company and its shareholders as a whole.

At a Board meeting convened to consider the Master Agreement, Ms. Yuki Habu, Mr. Masamitsu Ikuta, Mr. Hideaki Yajima and Mr. Shinya Wako were regarded as potentially having a material interest in the Master Agreement and accordingly abstained from voting on the relevant resolutions.
